

How do you make Money from Music?

Let's find out together through Future of Music Coalition's
Artist Revenue Streams research project.

- performance royalties
- retail sales
- fan support
- advances
- merchandise
- synch licensing
- live shows
- commissions
- grants
- licensing

Artist Revenue Streams

A groundbreaking survey examining sources of income for US-based musicians and composers.

- Online from Sept 6–Oct 28, 2011
- Help us document the complex nature of being a musician in 21st century
- Let your voice + story be heard
- Learn how other musicians + composers are earning money

We need thousands of musicians and composers to take this survey, working in every genre of music in the USA, including songwriters, band members, jazz musicians, hip hop MCs, composers, touring musicians, orchestra members, session players, and anyone else making music.

You are the key to our project's success.

First 100 to take the survey will receive a **\$10 Musician's Friend or Amazon.com gift certificate!**

Be entered to win an Apple iPad 2!
